A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 60, Number 43 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | 10c per copy | Thursday, October 15, 1953

Profile of The Week

This column attempts to acquaint Campbell residents with the background of most of its leading citizens, to make for a greater interest in the activities of the Campbell area.

Pictures from the files of the Campbell Press will be drawn, by lot, for the first of the articles. When this supply is exhausted, pictures of newer residents will be taken, to run in conjunction with stories.

JOHN D. BLAINE

A familiar figure on Campbell streets on his two wheel racing bike or on the Campbell High School tennis courts enjoying his daily game, is eighty-year-old John D. Blaine, former Campbell Justice of the Peace, former grocery store owner, part-time magazine writer, and related through marriage, to Benjamin Campbell, founder of the town.

During the past 66 years that he has been a Campbell resident, Judge Blaine has seen Campbell grow to its present size from a business section of one general store, a blacksmith shop, a post office, and a fruit drying plant.

He came to Campbell in 1887, at the age of 13, and grew up on a 40-acre orchard owned by an uncle. The ranch was on Hamilton Avenue,, and a part of what is now the large estate operated by William Lloyd. Here he worked part time with his father, who, Blaine says, originated the first practical orchard ladder. It was the forerunner of the type now used in orchards over the world, according to Blaine.

In 1898 he married Alda F. Swope, a granddaughter of Benjamin Campbell, the first settler and founder of Campbell.

They reared six children of whom two, Laura F. Blaine and J. Franklin Blaine, still live in Campbell.

From 1908 to 1927, Blaine was in the grocery business in Campbell. He withdrew to become local Justice of the Peace, to which office he was elected for six terms.

In his spare time, Blaine wrote articles for business magazines of national circulation, some of which appeared in "Progressive Grocer" and in sectional magazines over the nation. Blaine is especially proud of an article, printed in the "Saturday Evening Post" which combatted educational theories of Dr. Hutchins, then known, according to Blaine, as "boy wonder" president of the University of Chicago. Blaine says that some of his letters, magazine articles, and related matters, he is now putting into book form.

Blaine's chief civic interest lies in Campbell schools. In 1914 he was elected to the Campbell Grammar School board that put over Campbell's first school bond election. In 1941, Blaine was elected to the Campbell Union High School board. This board was supported for the bond election of $950,000 that has given the High School its present enlarged and modern plant.

Democrats To Meet In Campbell Next Tuesday

Alan Cranston, chairman of Santa Clara County Democratic Council will be the principal speaker at Campbell Democratic Club, October 20 at 8 p. m. at Rosemary School, according to a Council spokesman.

Other key speakers in the round table discussion will be John M. Chargin, on "History and Background of County Council"; "Organization" by William Crooks; "Labor" by Albert E. Tully; "The Farm and Democrats" by Mrs. Diana Payne; "Housewife and the Democrats" by Mrs. Alice Tully, the spokesman said.

Grammar School Financial Study Asked At Meeting

A study of the financial condition of Campbell Union Elementary School District as its relates to the operation of Campbell schools now, and in light of expected increased pupil loads in the near future, was asked by the Board of Trustees in its regular meeting Thursday.

The Citizen's Advisory Committee composed of representatives of parent groups from various school areas were asked to undertake the study.

Schools of the Campbell district have shown an increase in excess of 500 students over the last year, it was brought out at the meeting, and indication point to an even greater growth in the fall of 1954.

Heading the Citizens' Advisory Committee is Mrs. S. P. Arnold Other members of the group are: Mrs. R. B. English, Kenneth Duvall, Norman Bowman, Mrs. A. A. Barhow, Mrs. Robert Gallion, A. H. Raymond, Don Gilbert, Mrs. Verna Swan, Mrs. Steve Anderson and George Orr. Teachers, administrators and school trustees meet with the Citizens' Advisory Committee. Officials said there are several vacancies yet to be filled.

Cherry Lane School Plans Father's Night

Parents of the third graders at the Cherry Lane school enjoyed an afternoon recently getting acquainted with the class teacher, Mrs. Allen Ingram. The fundamentals of the third grade curriculum was explained by Mrs. Howard Ferris and Mrs. David Skaggs.

The 3rd and 6th grade groups met with Miss Perry and Miss Cirigilano on Tuesday while the 4th , fifth and morning kindergarten groups met yesterday with teachers. Today the afternoon kindergarten and first and second grades meet with teachers.

Tentative plans were announced also for a father's night program which is to be of unusual nature, according to Mrs. Ingram. Ann Meridier is principal of the Cherry Lane school.

EARLY LEAD IN VALLEY GRID RACE SEEN IN BUC-INDIAN GRID CLASH ON HIGH SCHOOL FIELD TOMORROW

Campbell High School gridmen face a league "crucial" tomorrow afternoon when they take the CUHS field at 3 p. m. against Fremont, co-winner with Campbell in the 1952 valley league race.

Jim Muir, head coach at Campbell, after watching the Indians sweep to a 37-7 victory over Santa Cruz last Friday night under the smart field leadership of quarterback Jerry Hitchman, and the powerful running of Jim Guidotti, said it was the best high school squad he had seen in the past four or five years. "Tomorrow's game should decide which way the league will go," Muir said.

Fremont took both openers with topheavy scores; 26-7 over Hollister and 37-7 over Santa Cruz.

Campbell, hobbled with injuries, dropped its initial contest to Castlemont 18-6, but came back strong last week to defeat Mountain View 26-7 in the first league contest. Both teams consider tomorrow's game an acid test for early supremacy in SCVAL standing.

Against Mountain View Friday, the Buc's scored three times within the first four minutes of the second period. First Campbell score followed a bungled Eagle punt on their own 20. The Bucs scored in four plays capped by Don Davis' 12 yard spurt around left end.

A sustained Campbell drive in the second quarter from deep in their own territory culminated in a 17 yard scoring pass from Larry Sutton to Don Davis for the second Buc score. Bill Gregg converted.

Sutton connected with Tony Schraub for 25 yards and a TD payoff, and Gregg fanned the left end on a 19 yard scoring gallop for other Campbell scores in the second period.

Mountain View squeezed in a touchdown in the last five seconds of the game on two aerials and a two yard scoring plunge through right tackle.

Junior Gridders Make Debut On Grammar Turf

A new "football conference" is making an appearance on the Campbell Grammar School field this fall, under the direction of Robert D. Landreth, district physical education co-ordiator.

Approximately 150 sixth graders, grouped into a dozen teams meet in scheduled games in a league organized this fall. The game played is two hand touch tackle, and is made up of nine man tems playing on a field measuring 35 by 70 yards. Each school fields as many teams as it has sixth grades and two leagues, an "A" and "B" permit inexperienced boys to play against similar competition.

A faculty member from each school acts as coach. The teams are outfitted with "T-shirts" furnished by the Campbell Kiwanis Club.

Across each player's chest is his team's name, and the pint sized cheerleaders outdo themselves with yells for the Campbell Trojans, the Moorpark Indians, the San Tomas Tigers, the Cypress Bulldoge, the Cherry Lane Panthers, Rosemary Huskies and Quito Cardinals.

Mr .and Mrs. ROBERT SNODGRASS of South San Tomas road have as their house guests, Mr. and Mrs. P. H. STILL and son, PATRICK, of Dallas, Texas. Pat is on leave from the United States Navy and is stationed aboard the U.S.S. Warrick.

INSTALLATION . . . of incoming DeMolay officers, Campbell Chapter, will take place Saturday evening, October 17, at 8 p. m. in the Campbell Grammar School Cafetorium. Incoming officers are: Master Counsellor Gilbert Johnson (center) Senior Counsellor Harold Windall (left) and Junior Counsellor Bud Feasal (right). Entertainment at installation ceremonies will consist of dancing until 12. Refreshments will be served.

COUNCIL HOLDS FIRST READING ON ANNEXATION ORDINANCES FOR WATER AND GRAVEL COMPANIES

First reading of ordinances to annex lands of Campbell Water Company, and of Western Gravel Company were given at the city council meeting Tuesday in the Campbell Fire House. No objection, either oral or written were received at the public hearing. Water company land intended to be annexed lies in the plant number three area on West Campbell avenue next to San Tomas Aquino Creek. Western Gravel Company land is back of Economy Lumber Company west of Los Gatos Creek, East of the Railrod and down to the dam on Campbell avenue.

City council approved James L. Countryman's low bid on an Oldsmobile "88" to replace the present police car. Cost to the city will be $1395 after a $1,000 allowance on the present car.

In other council action, city maintenance man LeRoy Black was directed to remove sucker growth from tree stumps near the Orchard City Grange lot on Sanford avenue and Fourth Street, following a request from the grange.

Deferred for a two week study was a request of Campbell Union Elementary School District to construct a walkway on the north side of Rincon avenue between Milton and Coral Manor, and for the construction of a small pedestrian bridge on the north side of the traffic bridge across the San Tomas Creek on Rincon avenue.

Referred to Nestor Barrett, planning cousultant, for study and later report was a request from Curry Plumbing company to use the existing residence at the front of their property as a plumbing shop.

Curry said it was fniancially unfeasable to comply with the county building inspector's requirements to renovate another structure.

GRAMMAR PTA GETS RECORD MEMBERSHIP

Mrs. Kay Guio, Parent-Teacher Association chairman, reports a membership close to 600 as a result of a drive sponsored by Campbell Grammar School PTA in line with former Governor Earl Warren's proclamation designating the week of October 12 to October 17 as PTA membership week.

Winners of the local contest will attend the Stanford-UCLA football game, Saturday, October 17. Winners are from the eighth grade class of Mrs. Wilkinson, and two seventh grade rooms taught by Miss Taylor and Mr. Neil, who tied wit ha membership record of 137 percent. Other classes to win prizes were Mr. Kuster's fifth graders and Mrs. Agular's sixth grade class. They will attend a matinee at the Garden Theater in Willow Glen.

Moreland School Acts To Secure Master Site Plan

Moreland School District board of trustees at their regular meeting Tuesday in Moreland School, took steps towards securing a master site development plan for the El Quito Park School grounds.

It was announced that work on this project will proceed as rapidly as possible. Work on new buildings are more than half completed at this time, it was brought out.

Moreland, the oldest rural school district in California, has been established as Historical Landmark No. 489. Construction of a base for the erection of the marker to be done by Joseph Ott of Hamilton avenue, Campbell, was authorized at the board meeting Tuesday. Didecation exercises will be held Friday November 6th.

Arthur Langen was furnished a contract by Moreland Trustees to make and erect two signs for the Moreland School at Payne avenue as the demolition of the 1894 building removed the name of the school

Board members present at the meeting, Tuesday were: Mrs. Virginia Lagiss, George H. Ballantyne and George D. Robertson, clerk. Among visitors present were William Glennon, Arthur Langen, and Herman Phillips. Eugene Mercuri, president of Moreland district Teachers' Association and Matthew Loewenstein attended as representatives of the school faculty.

The San Tomas Improvement Club honored Mrs. Frank Welsch at a birthday party following their October eighth business meeting.

Noticed on Campbell Avenue was a new paint surface on the porch and steps of the home of city treasurer Ed Merrill.

REZONING FAVORED IN SURVEY

CROSS SECTION OPINIONS TAKEN IN CAMPBELL ON VITAL MATTERS

People who live in Campbell like its rural atmosphere, its school system and its climate. They would like more street improvements though and more parks, sewer improvements, traffic signals, better police and fire protection, and they want more playgrounds for their children even if they must pay more taxes.

People who live in Campbell patronize local merchants, but would like to see a super market locate in Campbell, and of course, they would like to see lower prices and a more varied selection of merchandise.

They don't know much about current local, or national government issues. Most of the people in Campbell know little, for example, about the master zoning plan recently submitted by the planning commission for action by the city council.

On a national level, they feel Congress should not have cut the air force appropriation; they think Congress is doing only a fair job. They are not much worried about Russia having the hydrogen bomb.

These opinions were compiled by a survey conducted Sunday in Campbell in a door to door canvass by twenty-five interviewers from the Santa Clara County Democratic Council with the help of the Campbell Democratic Club.

Several hundred residents were dents from six Campbell precincts were questioned to get a cross section of sentiment of the city.

Several hundrer residents were questioned in person and many more were interviewed over the telephone, according to officials of the Santa Clara County Democratic council.

Specific questions and answers included:

(1) "What do you like about Campbell?" Forty percent liked its rural atmosphere. Campbell school system was favored by 33.3 percent of those questioned. Seventeen percent liked the climate. Two percent liked the city's cleanliness.

(2) "What changes would you like to see made?"

More street improvements accounted for 30 percent of the answers.

Eighteen percent wanted a super market here. Nine percent wanted more parks. Nine percent said they wanted more street lights.
percent wanted better police and fire protection. Seven percent wanter more street lights.

(3) Are you familiar with the Master Zoning ordinance as submitted by the Planning Commission?

Nineteen percent favored the plan. Seventy-one did not. Three percent didn't know, and 62 percent of those asked had no opinion.

(4) Do you shop in the Campbell business district?

Eighty four percent did. Sixteen percent did not.

(5) If not, why not?

Majority of complaints centered on high prices, and not sufficient selection.

(6) Should a special tax be levied for playgrounds in Campbell?

Sixty three percent favored a special tax. Twenty-eight percent opposed. The rest had no opinion.

(7) Are you worried about Russia having the Hydrogen bomb?

No answers accounted for 40 percent of those asked while twenty percent were convinced the reds had it. The rest had no opinion.

(8) Do you believe it was wise to cut the Air Force budget?

No. Eighty percent. Yes. Seventeen percent. No opinion, three percent.

(9) Do you think the last Congress did a (1) good (2) fair or (3) poor job?

Good job, 11 percent.. Fair job, twenty percent. Poor job, twenty percent. The rest had no opinion.

Joe Anello Named Ad Manager For Campbell Press

Appointment of Joseph F. Anello as advertising manager for the Campbell Press, effective next Monday, was announced today by Lester E. Lafferty, publisher and Clifford Cassiday, business manager.

Joe Anello is well and favorably known in business and civic circles of Campbell and vicinity. He is returning to full time association with the Press after a lapse of three years. He was formerly advertising manager of the Press on a part time basis. In the meantime he has been with a laundry firm and done part time press work.

Anello was born and raised in the San Jose area. While working for the Press a few years ago, he attended night school at University of Santa Clara taking a course in advertising.

With his wife and small son, Michael, he resides at 645 West Parr avenue in Campbell.

In World War II, Anello served with the army intelligence department in the African campaign.

Will Attend Classes Tonight

Parents of Campbell Grammar School children will go to school tonight with their children and attend 10-minute class periods for each subject taught their youngsters as part of a parent-teacher program to explain teaching methods.

There will be a short intermission during which refreshments will be served by PTA members before returning to the classroom.

Mrs. Dorothy Royce will be in the auditorium to answer questions on school operation. Classes will be dismissed at 9:30.

HORACE ALFORD NEEDS BLOOD - FRIENDS HELP

Friends of Horace (Doc) Alford, popular owner of Horace's Market on Campbell avenue, are banding together this week to offer practical help for his speedy recovery.

Alford's illness requires twice-daily blood transfusions at O'Connor Hospital. His friends and business associates have asked that anyone wishing to donate blood should contact the hospital or go direct to the Blood Bank on North First Street, San Jose to give blood for credit to Alford's account at O'Connor Hospital; or to contact Alford's parents at 239 Grant Street, Campbell.

Even though confined to a wheel chair, Alford is widely known for his generous and friendly help to anyone in need, and his friends say now is a good time to return his many favors.

Kiwanis Club Elects Officers

Henry Jewell, local realtor, was elected president of Campbell Kiwanis Club at a recent meeting. Other officers elected were: Ethan Lanphear, vice-president and Art Mayor, treasurer.

LOCAL BUILDINGS GET NEW LOOK WITH FRESH PAINT

The pounding of hammers, scraping of saws, and the swish of paint brushes may be seen and heard all along Campbell avenue these days.

Biggest construction is taking place in the Barbano building on Campbell and Central avenues where the new Cornet 5-10-25 cent Variety Store is preparing for the grand opening—soon—from construction progress noted, but unconfirmed from official Cornet sources. The dividing wall that separated the original store locations in the Barbano block has been taken out. All the inside superstructure has been torn down. New ceilings and walls attached with neon lights have been added. The makings of 25 counters have arrived and are rapidly being assembled. Dressing up the whole interior is a new coat of buff paint over a green undercoat.

At the end of Campbell avenue on San Jose-Los Gatos road, construction and alterations have been completed for the new "Virginian", formerly Martin's restaurant. Bill Harrison, a Virginian by birth opened his new store yesterday with space for group parties, afternoon teas and service club meetings.

Campbell IOOF hall, across from Campbell Library is resplendent in a new coat of green paint, and the medical-dental building on Campbell and Harrison avenues over Clark's drug store is assuming a fresh new look under the expert strokes of a crew of painters. The old white color in the building is being replaced with a gleaming coat of cream paint.

In our time

The pace of medical progress during the past seventy years is unequaled in all previous history. In fact, medical advance has been greater during the past five decades than in the preceding 5,000 years of recorded history. A diagnosis of typhoid fever, diphtheria, diabetes, anemia, and many other diseases no longer sounds a toll of death. Your physician has at hand a multitude of proved therapeutic agents which mean longer and happier life for all. Twentieth-century pharmaceuticals, many of which are extremely delicate in composition, require expert care in storing, compounding, and dispensing. That is the work for which we are prepared. Let us fill your next prescription.

CIRCULATION CLUB RULES

You nominate yourself, or anyone of your own choosing. It costs nothing to join the Circulation club. The leaders in the circulation club will be published in the PRESS but no other information will be given during the contest regarding the members' standings. Votes may not be transferred to anyone already on the list of club members. The club opens Monday, October 5, 1953, and will close Friday December 11, 1953. In joining this club, members agree that the closing date may be extended in case of an emergency for not more than two weeks.

Any resident of the area may compete for awards, except full time employees of THE PRESS or any member of his immediate family. Vote ballots issued on subscriptions may be voted or held until the close of the campaign. Club members are responsible for all money collected and must report once a week. At the close of the Circulation Club, the unpublished votes and subscription money collected during the last three days of the campaign will be placed in a locked ballot box and will be counted by a committee of citizens who will make the awards.

Any questions which may arise will be determined by the Circulation Club Director, whose decision shall be final. For further information, call upon the Circulation Club Director at THE PRESS office or telephone and a representative will call upon you and explain the details without obligation. Club Director's office hours are 9:30 to 10:30 A.M. and 4:00 to 5:00 P.M. daily and all day Mondays. Other hours by appointment.

Services Held For Child Victim Of Milk Truck

Funeral services were held Tuesday for seven-year-old Janet Gibbs, victim of a tragic accident, Saturday, in the driveway of the home of Mrs. Florence Sturgeon, of 227 Redding Road, the child's foster mother. The Cambrian school second grader was killed by a backing milk truck driven by Frank Ottoviggio, 32 of 1258 Benton Street, Santa Clara.

Mrs. Sturgeon said she and the child were in the front room of the home when the milk truck came into the driveway. She then went to the rear of the house, she said, and Janet apparently went out the front door and into the driveway.

Ottoviggio told highway patrolman Ted Johannson that when he had delivered the milk to the rear of the house, he was followed by Janet's sister, Roberta and several playmates.

While backing out of the driveway, he said he felt a bump and stopped to see what it was. The child's body was discovered under the vehicle.

The dead child is survived by three sisters, Beverly 5, Sharon, 3, and Kathy 2, all of Campbell, and her parents, Mrs. Juanita Gibbs, employee of Green's Rest Home, Chemeketa Park, and Elvin Gibbs, of Pacific Grove.

Coach Bill Perry Addresses Lions On SJS Football

Bill Perry, assistant football coach at San Jose State College, was the featured speaker at the Campbell Lions Club dinner on October 13th.

Pictures of the San Jose State's first football game of the 1953 season with Idaho were shown. He also discussed the season thus far and other games to be played on the 1953 schedule.

Harold Shumway, Lions' information chairman, highlighted the work of the District Governor as part of District Governor Week.

At the general business meeting presided over by George French, club president, D. M. "Ace" Bagby was appointed chairman for the Student Speaker's Contest to be held later in the year. Les Norberg was appopinted chairman of the Christmas Basket Committee. Rudy Golden was general chair-

LOCAL GROUP TO ATTEND FFA MEETING

Over 500 are expected at the annual convention of the California Association, Future Homemakers of America, to be held this week end at Asilomar.

Those attending from Campbell will be: Alice Lassen, State Public relations chairman; Beatrice Rodriguez, a 1952 graduate applying for her state Future Homemaker degree; Masauko Kawauchi, candidate for State Secretary; Marilyn Peters, recorder for discussion groups; Ellen Nunamaker, voting delegate, and Irene Rodriguez, chapter delegate.

Accompanying the delegates will be Mrs. Adele Charlson and Mrs. Dorothy Harrington, advisors. District Superintendent Laurance J. Hill, and Mrs. Hill will attend a portion of the convention as will Virgina Bese, former State FHA president.

MRS. G. FICKLE TO HOSTESS GARDEN CLUB

The Blossom Valley Garden Club will hold its October meeting at the home of Mrs. G. F. Fickle, 1620 Woodard road.

The program will consist of a lecture and demonstration on the selection, care and planting of bulbs by Ed Carman of Carman's Nursery. Mr. Carman is an honorary member of the Garden Club.

All interested gardeners are cordially invited to attend the October meet.

OBLIGATES NEW MEMBERS AT MEET

Over 112 members and visitors attended Orchard City Grange No. 333 regular meeting, October 13 to witness the obligation of five new members into the first and second degree in short form. Visiting dignitaries and guests from Cupertino, San Jose, Gilroy, Almaden, Mount Hamilton and 22 members from the Springfield Grange in Watsonville swelled the attendance into one of the largest ever recorded at the local Grange Hall. New members obligated into the Orchard City Grange were: Mr. and Mrs. J. P. Chamberlain, of 16 E. Hamilton Avenue, Campbell; Mrs. Emma Moffitt, of 69 Kennedy avenue; Mr. and Mrs Fred Bentley, of 19930 Wright Drive, Los Gatos; Mrs. Ray Finnemore, of 255 Redding Road; and Mr. and Mrs. Harry Youmans, of 16457 Mozart avenue, Campbell.

After a brief business session Master A. J. Emery introduced John Gordin, district deputy, obligating officer. Regular officers then retired their stations to the Springfield Grange Drill team who obligated nine candidates into the third and fourth degree.

The new dignitaries were then escorted to the right of the master's station.

Harry Barnes, California State Grange official reminded the gathering of the state convention program at which Mr. and Mrs. A. J. Emery, Grange master, were chosen Orchard City delegates. The Emery's will attend the progra mat Santa Rosa, during the week of October 19 to 24.

After the meeting, refreshments were served by Josephine Biller, chairman, assisted by Mr. and Mrs. Herbert Shadle, Mrs. Melisa Smith, Mrs. Sarah Blue, Mrs. Grace Strickler, Mr. and Mrs. George Litel, Mrs. Anna Tatum, L. Ccarper, Guy Proctor and Joe Brown.

REX JEFFERS TAKES BRIDE IN AFTERNOON CEREMONY

White chrysanthemums and greenery highlighted the decor of the Calvary Methodist Church in San Jose for the ceremony Saturday afternoon uniting Betty Lou Aby and Rex Elliot Jeffers in marriage. Rev. James H. Strayer officiated.

Betty Lou wore a traditional gown of white satin, fashioned with a fitted bodice, long sleeves and bouffant skirt. A Juliet cap secured her fingertip veil of illusion net. White orchids and bouvardia composed her bridal bouquet.

Mrs. Paul Hunter of Woodland, California served the bride as matron of honor in an aqua formal length gown, carrying a bouquet of pink carnations and baby roses.

Attending Rex as best man was Richard Stevens. Ushers were Charles Howe and Douglas Strong.

Attending her son's wedding, Mrs. G. E. Jeffers was attired in a slate blue ensemble with navy and pink accessories. Pink orchids formed her corsage.

Greeting the newly weds at the reception held on the patio of the Jeffers residence on California street, were 150 guests who enjoyed a buffet luncheon and wedding cake cut by the bride and groom.

For her wedding trip to Carmel and Southern California, the bride wore a green suit with brown accessories and pinned on an orchid corsage.

The bride is the daughter of Mr. Arthur Aby of San Jose and attended San Jose schools.

Rex attended Campbell schools and is an alumna of San Jose State College.

Out of town guests were: Mr. and Mrs. Harold Grimes, of Amarillo, Texas; Mr. and Mrs. Don Grimes of Los Altos; Mrs. Bessie Cook, Berkeley; Mrs. Matthew Ford, Los Angeles; and Mr. and Mrs. Elmer Aby of Los Angeles.

Chapter 31 of American War Mothers in Los Gatos is holding a pillow slip card party Saturday evening at the American Legion Hall. Mrs. William Henline is chairman.

Congo Speaker To Address Local Baptists

Rev. Harry F. Buerer, three years in the Congo, will be featured as the speaker Sunday evening at 7:30 p. m. October 18, in the Campbell Baptist Church.

Rev. Buerer has spent the last four years in Michigan pastorates and is now a missionary under appointment t o Manila in the Philippines, according to the Pastor, the Rev. Lyle E. Cushman. Mr. Buerer's wife and four daughters will be accompanying them to the new field, where they will have charge of the literature and printing work of the Association of Baptists for World Evengelism.

The public is invited to the meeting.

El Quito Park PTA

The El Quito Park PTA Fiesta was a huge success, according to Mrs. Guy Boltz, chairman. Attendance is estimated as having been between 500 and 600 people. Almost everything was sold out, and there were huge crowds at all times thronging the corridors and rooms of the school.

Mrs. Boltz thanks everyone for the wonderful cooperation and energy displayed. Not only did all members of committees do an excellent job, said Mrs. Boltz, but fathers, mothers and children all pitched in to make this first money-raising event a memorable occasion.

CITY CLERK BPWC SPEAKER AT MEETING

City Clerk, Dorthy P. Trevethan, in her talk last night before Campbell Business and Professional Women's Club at the home of Mrs. Margaret Leick, 718 Pollard Road, acquainted members with the organization and work of Campbell's first city government.

Mentioned in Mrs. Trevethan's talk was a short sketch of city government personnel-- the names and backgrounds of the five councilmen, the city clerk, deputy clerk, maintenance employees, the police and fire departments.

Mrs. Trevethan briefly touched on the amount of work done by the first council which included the passage and adoption of 40 ordinances, and 79 resolutions. She sketched the organization of the city's four - man police organization, with its 15-man auxiliary force, the fire department of two paid members, and 25 volunteers.

Also brought out in Mrs. Trevethan's talk were the six annexations adopted by the council at the request of property owners, three of which were for local school districts.

LOCAL ROTARY SEES FILM ON OIL INDUSTRY

Jack Lynch, assistant manager of Standard of California, presented a film, "Man of the Land", in a local observance of National Oil progress week, at Campbell Rotary meeting Monday noon at IOOF hall.

Neal Royer, chairman of the day introduced the speaker and program which depicted the part oil plays in the national economy.

Club officials announced another oil program for next week's meeting. Glenn Skilrud, local service station operator will present Standard of California's film, "Alaska", under the program chairmanship of Bob Jasmine.

This film, according to Rotary officials is a travel film, showing the unexcelled scenery, and the hunting, fishing, canoeing and other sports that can be enjoyed in the north country.

It was announced at last meeting that Rotarians will meet for a club assembly and dinner, October 26 at 7 p. m. in the Villa Felice. A round table for visiting Rotarians will be held at noon at IOOF hall, officials said.

El Quito Park PTA Fiesta Is Termed A Huge Success

Highlight of the first meeting of the El Quito Park PTA, was the showing of a movie which delineated the activities of the California Junior Museum. Two women from the sixth district PTA showed the film and described the function and operation of the Junior Museum. They were Mrs. H. C. Grimes, district chairman of the conversation and thrift committee and Mrs. Bud Scofield, the district's sixth vice-president, both of whom are also on the steering committee of the local Junior Museum located at Alum Rock Park. The Museum's budget for this first year is $20,000, $3000 of which has already been received from the National Foundation for Junior Museums. Many community groups as well as schools have pledged support to the program, and a substantial part of the financing is expected to come through membership fees from individuals throughout the area.

El Quito Park PTA had the distinction of being the first such group in the 6th district to have the Museum film shown its members. Mrs. W. L. Archibald, who arranged the program, announced that since she was leaving the Moreland district shortly, she regretted that she had to tender her resignation as first vice-president of the El Quito Park PTA. A resignation was also received from Historian Mrs. L. Palm, who moved to Saratoga.

Mrs. B. Holmes, president, introduced her officers and chairmen. Mrs. Oliver Upton read a communication from Mr. Upton in which he announced that Quito Park Club, of which he was president, was now defunct, and that the money in the Club's treasury was being placed at the disposal of the El Quito PTA.

Mrs. Gussie Baker, superintendent of the Moreland district, reported on the district's budget.

It was announced that a membership drive was being started, and that the dues for the El Quito Park PTA were only 50c per person per year. Mrs. Bertha Raab's class won the attendance award.

Quito Park PTA Presents Farmers' Fair Saturday

A parade through Quito Park will open the giant Farmers Fair which is to be held this Saturday on the Quito schoolgrounds sponsored by the P. T. A. of that school. Mrs. Robert Landis, general chairman, has invited all youngsters with bikes to follow the entourage before they repair to the site of the festivities.

Young Hopalong Cassidays will find real ponies on which to demonstrate their equestrian prowess and budding big-leaguers can practice their curves and fast balls at the baseball booth. Besides these attractions there is to be a food booth to supply hotdogs, coffee, ice cream, etc and featuring Mrs. Ned Leone's very excellent pizza. Numerous other games and booths will line the midway and offer many different types of entertainment.

A dance is to be held Saturday evening in the cafetorium and those who have older children are welcome to bring them along as a movie will be provided for their entertainment while their parents trip the light fantastic.

Committee members besides Mrs. Landis are Mrs. Lois Fox, Mrs. Ethel Lake, Mrs. Barbara Tenneson, Mrs. Ann Marines, Mrs. Irene Harper, Mrs. Roselle Faust, Mrs. Mary Kay Cole, Mrs. Farrie Hogan, Mrs. Muriel McKee, Mrs Wynn Shriver, Mrs. John Lisk, Mrs. Betty Stevens, Mrs. Florence Greensides, Mrs. Bradford Frizelle,

THE GAME OF THE YEAR
WON'T BE SHOWN ON TV
BUT FOR US IT WILL BE
MIGHTY EASY TO SEE

We're speaking, of course, of tomorrow afternoon's early season football titanic between our own Bucs (who looked positively sensational against Mountain View last week) and the Fremont Indians, who are really on a touch down warpath this year.

GET THE TIME OF THIS COLOSSUS:—3 PM, Friday afternoon on Campbell High's gridiron.

But why should this be a "must see"? Well, for four big reasons: (1) These same two teams tied each other last year in a wild contest at Fremont, 7-7, which most of us regard as the most thrilling high school football game we've ever seen.

(2) Both teams are in even better form than they were last year at this time, and both are being touted for the SCVAL championship again.

(3) Campbell smothered Mountain View 26-7 here last week, looking particularly strong in the line, and surprising even their most enthusiastic boosters with a passing attack as fearless, dangerous, and unpredictable as that of any Texas college.

(4) Fremont murdered Santa Cruz last Friday night with the Indian backs running so hard and well that they were more a competition to one another than to the Seahawks.

But, let's let Campbell High's coaching staff tell you about them. Mentors Muir, Duddridge and Morgan drove to Santa Cruz last Friday night with curiosity about the poor little Fremont eleven. After all, Indian coach Ken Stanger had been quoted as saying, "I'm sorry but we don't have a thing this year; we're mighty inexperienced."

But now listen to what our coach, Jim Muir, has to say about these so-called greensters:

"Fremont looks to me to have its best team in several years; it has tremendous speed and a lot of power.

"Indian quarterback Jerry Hitchman is both smooth and fast and runs their ends like crazy. But Steve Lynch, Jim Guidotto, and Jim Manson, their power runners really have me worried. When they don't go around you, they go right through you.

"And their line looks tough and seasoned already. Led by that big end, Don Griffin, they could scare the wits out of anybody.

Friday's game may be our toughest of the year!"

And coaches Duddridge and Morgan second his motion:

"We saw a well-rounded team play sound football. That Jerry Hitchman is one sweet passer and a fleet-footed runner as well. Theirs is a wide-open attack especially when Guidotti runs up the middle like a steam-roller. We were impressed with their varied offense and the way they operated equally smoothly out of the Split "T", the straight "T", or even out of their phoney spread. Mighty interesting team to watch, and Friday's game should be worth going a long ways to see."

Well, you don't have to go a long ways to see it but only out to our football field tomorrow afternoon. If there's even one pass as beautiful as last week's thirty-one yarder Sutton completed to Schaub you'll come away as full of praises as we did.

THE DEANS AT OUR SCHOOL
DO 'THE IMPOSSIBLE' DAILY
THEY ATTEND ALL OUR
FUNCTIONS
AND HALT EVERY MELEE
WITHOUT THEM, OUR DAYS
WOULD BE ALL GRIPE AND
GROAN
AH, BUT WE HAVE FRIENDS
IN NEWBERRY AND OWEN.

It was in this fashion that one of my juniors summed up the respect we all have for those two hard-working stalwarts of Room 31, our deans.

We covered Mr. Newberry last Spring, and now it's high time we gave a plug to Dean of Girls, Mrs. Ruth Owen. This is the fourth year Mrs. O. has served Campbell High in that capacity, having come to us from Oakland High School, where she once taught classroom Spanish, English, and social studies. It is evident that she was once a "schoolmarm" herself for she completely understands the load of the classroom teacher and the need for a genuine rapport between home, classroom, and school administration.

I think it is significant that our girls don't consider her a policewoman as much as they do a counselor and friend. Their relationship with her is one of "talking things over" rather than merely listening to a superior to whom they must feel subsurvient. Mrs. Owen probably puts in a longer day than anyone else at school. She's always the first one there in the morning (you'll find her around at the impossible hour of seven!) and often one of the last to leave. And here is a day full of absence verifying, telephone call-screening, parent consultations, but most important of all, helpful counseling periods. When a girl needs a friend, emotionally, financially, or scholastically, she has one in Dean of Girls, Mrs. Owen.

Like Superintenden Hill, Mrs. O. earned her M. A. at Stanford. She lives in a beautiful maple-furnished colonial, full of soft chairs, good magazines, and real home comfort, overlooking Saratoga, just off Highway Nine. The view down through the hills from her dining room window is almost as breath-taking as the tea she'll serve you while you're sitting there.

It is here that she relaxes ("I love to nap on Sunday afternoons") weekends, practicing her two favorite avocations, gardening and cooking. She smiles as you compliment her green thumb and marvel at the beauties of her healthy green yard—and there's even a trace of braggadocio replacing her usual modesty as she describes her success in trapping gophers.

Both of our deans attend all of our school's host of extracurricular activities, serving as permanent chaperones. Mrs. Owen feels that such outlets "teach valuable lesdons of cooperation and initiative."

But most of the credit for our success at Campbell High School, Mrs. Owen gives to you, our wonderful parents and public. "The high standing of this school is largely due to the fine cooperation between home and school."

Jumping from the sublime to the ridiculous, this is "Twirp Week" at school again. This means, of course, that the girls grab the initiative (as though they don't have it all the time!) and serve as the date-getters for this Friday night's "Twirps Twirl" dance in the girls' gym. The girl chasing boy motif is an essential part of the dance decorations, and all are joining in the big rehearsal for the big reversal. A new twist this year is to be found in the long thin cards the boys are wearing on their shirt fronts. Luck girls are supposed to sign the boy's card every time she does a favor for him. The boy with the most signatures gets a door prize at Friday night's dance. This is the one week in the year when every Buccette acts like an Indian squaw!

This is the big weekend for all girls belonging to the California Association of the Future Homemakers of America. This Friday through Sunday, 500 of them will be attending their annual convention at Asilomar. Representing Campbell High will be Alice Lassen, State Public Relations Chairman, Bee Rodriquez, one of our 1952 graduates who will be applying for her State Future Homemaking Degree, Masauko Kawachi, our candidate for state secretary, Marilyn Peter, one of the recorders for discussion groups, Ellen Nunamaker, a voting delegate, and Irene Rodriquez, our chapter delegate. Superintendent and Mrs. Laurance J. Hill will attend part of the convention along with Mrs. Charlson and Mrs. Harrington, our chapters two energentic advisors.

The get-together has chosen for its theme, "Happy Homes Make Good Citizens", with which none of us can quibble. It is always encouraging to me to become part of the gay spirit our F. H. A. exhibits noon hours in our home economics wing. I say Kudos to these Kitchen Queens who prove that the hands which stir the batter are the ones that really matter!

Senator Honored Here . . . Greeting United States Senator Thomas H. Kuchel on his arrival in San Jose last week to speak at a GOP luncheon are, left to right, Ernest Renzel, Vice-Chairman of the United Republican Finance Committee, J. Derrol Chace, Chairman of the same group, Senator Kuchel, and Robert G. Free, Chairman of Santa Clara County Republican Central Committee.

Moreland School Hallowe'en Doings

Halloween at Moreland School will be a great night for the children in the District, where a great deal of fun is being planned for them and by them—and most of it will be free.

Every youth group in the Moreland District is invited to participate in the big doings that night. From seven until nine p. m., there will be continuous games and a talent show in the auditorium. Prizes will be awarded for the best costume. There will be a Spook House conducted by the Senior Girl Scouts of the area. From nine to ten-thirty, a teen-age dance will be in progress.

Mrs. Harold Easterbrook is chairman of this Fun Frolic—which promises to be just that for the youngsters on Halloween.

Sen. Kuchel Talks To Republicans

United States Senator Thomas H. Kuchel spoke in San Jose last week at a luncheon meeting sponsored by the United Republican Finance Committee of this county.

Senator Kuchel reviewed the progress the Eisenhower Administration has made in the first few months of its term. Among the accomplishments he outlined were reduction in the budget, Federal spending cuts which will allow an 11% reduction in individual income taxes to take effect at the beginning of 1954, and the return of ownership of tidelands to the states.

He stressed that the Eisenhower Administration has "given the people of the nation the same type of integrity in government which the peolpe of California have enjoyed for so many years."

He expressed the hope that next year's elections will see the so-called "paper majority" now held by the GOP in Congress grow so that the Eisenhower Administration will be able to complete its program.

Kuchel was given a rising ovation from the floor as he was introduced by J. Derrol Chace, Chairman of the United Republican Finance Committee of Santa Clara County, sponsors of the event. Chate announced that this meeting was the kick-off of a drive to raise funds for GOP campaigns in next year's elections. The drive will culminate with a $100-a-plate Dinner to be held in the Scottosh Rite Temple, San Jose, on November 5, which will be addressed by Secretary of the Interior Douglas McKay.

The Campbell Press has some of the most modern commercial printing equipment in the Santa Clara Valley, and is able to turn out work from cards to books.

Waterfowl Hunting Areas Outlined

SACRAMENTO—During California's upcoming waterfowl hunting seasons, October 16 to November 18, and December 8 to January 10, duck hunters will have thier pick of 13 public shooting grounds operated by the Department of Fish and Game throughout the State.

From northern Lassen County to Imperial County, more than 30,000 acres of the choicest waterfowl hunting terrain will be opened on a first-come, first-served basis. As many as 2,500 hunters may be accommodated on the areas at one time.

In an effort to place the State's waterfowl management areas on a pay-as-you-go basis, the California Fish and Game Commission earlier this year authorized a general charge of $2 per hunter per day for use of the shooting grounds. All were open without charge in past years, except for a $5 blind use fee.

A charge of $5 per hunter will be in effect at the Imperial waterfowl management for use of locations with a blind. Hunters under the age of 16, accompanied by an adult, will pay $2.50 for the use of a blind.

The Madeline Plains and Honey Lake areas in Lassen County will be operated without fee, while the Napa Marshes area in Napa County will offer a seasonal permit for $3.

The areas will be open to public shooting on Wednesdays, Saturdays, Sundays, the opening and closing dates of each legal waterfowl hunting season, and Armistice Day, Thanksgiving Day and election day when these holidays fall within the legal open season. All areas will be closed on Christmas and New Year's Day.

The Imperial Waterfowl Refuge and the Napa Marsh area will remain open every day of the legal hunting seasons, except for Christmas and New Year's days.

California hunters with a valid waterfowl hunting stamp and hunting license may apply at the area checking stations for a hunting permit on the day of the hunt. Registrations are on a first-come, first-served basis.

Sportsmen planning to hunt on the Imperial management area may also apply the day preceding the shoot at the Los Angeles or San Diego offices of the Department of Fish and Game or area headquarters.

Location of checking stations:

MADELINE PLAINS, Lassen County—two miles south and one-half mile west of Madeline off Highway 395; 2,400 acres; 240 hunters.

HONEY LAKE, Lassen County—at north edge of Honey Lake; 3,000 acres; 150 hunters.

LOS BANOS, Merced County—four miles northeast of Los Banos via North Mercey Springs Road and Henry Miller Avenue; 1,070 acres; 100 hunters.

NAPA MARSHES, Napa County—west of Napa River about one mile northwest of Vallejo; accessible only by boat over Napa River and some of its tributaries. Permits on sale at Sacramento and San Francisco offices of Department.

GRIZZLY ISLAND, Solano County—reached by ferry 5½ miles south of Highway 12 out of Rio Vista or Fairfield; 5,000 acres; 400 hunters.

GRAY LODGE, Butte County—five miles west of Gridley on Gridley Colusa road and south 3 miles on Pennington road; 1,200 acres; 80 hunters.

WELCH COOPERATIVE HUNTING AREA, Colusa County—four miles east of Maxwell; 5,680 acres; 275 hunters.

MERCED MANAGEMENT AREA, Merced County—16 miles southwest of Merced via the Merced-Los Banos road and Athlone-Sandy Mush road; 1,000 acres; 80 hunters.

SAN LUIS WASTEWAL, Mercen County—three-fourth of a mile north of Volta on the Ingomar road; 1,500 acres; 100 hunters.

COLUSA NATIONAL REFUGE, Colusa County—five miles southwest of Colusa from State Highway 20 south of Colusa; 1,100 acres; 80 hunters.

SUTTER NATIONAL REFUGE, Sutter County—15 miles north from Robbins on Highway 24 to curve, then straight six miles on George Washinton Boulevard to Bogue road, then west five miles; 1,000 acres; 75 hunters.

The opening of the Colusa, Merced and Sutter National wildlife refuges to public hunting may be delayed by California Fish and Game Commission action until local crops are harvested.

Dessert Card Party For AAUW Fellows

The dessert and card party to be given by the Los Gatos-Saratoga Branch of the American Association of University Women on Saturday, October 24th at the Robert Kirwood estate, will benefit the AAUW national programs of Fellowships and International Study Grants.

Awards from the two funds are granted to a carefully selected group of American and foreign women of accomplishment to carry out creative scholarly work that promises to make a definite contribution to knowledge. In the academic year 1953-54 thirty six women will engage in advanced research projects under awards totaling $63,700.

The awards, made annually, are financed by contributions to the funds from the more than 1,234 local branches of the association as well as income from the fellowship endowments, which now total more than $1,000,000. The individual awards range from $1,500 to $3,000. Their aggregate exceeds that of last year by $4,300.

TAXES ARE PAYABLE

FOR THE FISCAL YEAR 1953 - 1954

For the information of Santa Clara County Taxpayers, the following are important details concerning taxes for the Current Year.

THE FIRST INSTALLMENT

of taxes, which includes one-half of the total tax on all Personal Property secured by Real Estate, and one-half of the total tax on all Real Property, becomes due on November 1, 1953, and is delinquent on December 10, 1953, after which time a penalty of 6% is added.

THE SECOND INSTALLMENT

comprising the remaining one-half of the tax on all Personal Property secured by Real Estate and one-half of the total tax on all Real Property, is due on January 20, 1954, and becomes delinquent on April 20, 1954, after which time a further penalty of 6% and costs is added to all unpaid taxes.

BOTH INSTALLMENTS

of taxes may be paid in one remittance with the First Installment, if desired.

ALL TAXES MAY BE PAID at any time after receiving your Tax Bill on or after October 28, 1953

The Tax Collector's Office in the Hall of Justice, Corner of Market and St. James Streets, San Jose, is open for your convenience every day between 8 a.m. and 5 p.m. Saturdays, Sundays and Legal Holidays excepted.

TAXES MAY BE PAID BY MAIL

Checks accepted for EXACT AMOUNT OF TAX BILL *ONLY*. Be sure to bring your TAX BILL with you, or enclose it with your remittance made by mail.

ROY P. EMERSON
Tax Collector of Santa Clara Co.

IMPORTANT: In order to determine Tax Rate for each Code Area as designated on Tax Bill, reference should be made to Tax Rate which is printed on Tax bills. Original Tax Bills are mailed to Taxpayers to whom the property is assessed on first Monday in March. If property has been sold, please forward tax bills to new owners. Original Tax Bills must be returned when paying taxes. If you have not received all your Tax Bills by November 1st, telephone the Tax Cellector's Office.

nothing beats broiling
in a new gas range

Just take a fork to a piece of meat that's broiled in a new gas range—and taste! Crisp, char-flavor on the outside—tender and juicy inside. And a new gas range makes broiling so *easy* . . . quick, clean, smoke-free—just one pan to wash. You can broil your whole meal—even barbecue! With gas so cheap in California, you can use your broiler as much as you wish—with no strain on the budget. Why not take a look at the new gas range . . . at your appliance dealer's today!

Gas is cheap in California!

Campfire Girls Visit Goodwill Industries

Eleven Campbell Campfire girls were recent guests of Goodwill Industries plant in San Jose at which they watched handicapped employees engaged in the various operations of the local concern.

After a guided tour through the plant, the girls were treated to ice cream in the plant kitchen. At the end of the visit each guest was given a ruler, nail file and a funny book as a token gift.

Those attending in the company of Miss Morrow were: Kathy Jilson, Jerry Bozarth, Rochella Gresson, Joan Bedal, Gloria Bedal, Martha Bedal, Judy Elliot, Sadie Makee, Rosalie J. and Carol Vestal, and Joanne Morrow.

Cambrian Park Forms Another Scout Troop

Expected to be chartered tonight is a new boy scout troop for Cambrian Park, sponsored by Cambrian Park Improvement Association, according to Jim Stockdale, new scoutmaster.

Assistant scout leaders are: Herb Dallas, Bill Uderitz, and Mrs. Inga Eichman, head of the mother's group.

This summer, eight of the boys have been working on Tenderfoot requirements, and the leaders ask others to apply.

The troop will meet at 7:30 p. m. on Mondays in the Cambrian Park Methodist Church. Other boy scout activities are also getting under way. Art Downing, neighborhood Boy Scout Commissioner, said the Union District's Troop No. 47 is beginning their schedule next week.

He said that the Explorer Post is looking for an Advisor.

Los Altos May Get Cancer Hospital

Prospects for a two-million dollar Memorial hospital for cancer were seen today at Los Altos where a dedicated area was tentatively set up. Norman Holt of Elena avenue is the leader of the project.

Holt's wife, Grace, died of cancer a year ago. He announced plans for the hospital at a meeting of a church grup at his estate recently. Holt said he would endow the site, then start a campaign among business associated for building funds. He is an inventor of an electronic sifting device for low grade ores.

MOSQUITO CONTROL SOUGHT IN COUNTY

The Santa Clara County Health Department has put into operation a county-wide sector control program aimed at suppression of such disease carriers as mosquitoes, flies and rodents.

Dr. W. Elwyn Turner, Director of Public Health said that major emphasis is being placed upon studying and identifying the most common types of insects found in Santa Clara County and in pinpointing insect breeding places.

The new program will be directed by Edgar A. Smith, graduate of San Jose State College, who joined the staff of the County Health Department after serving for more than four years as manager-entomologist for the Merced County Mosquito Abatement District. Smith also served as medical entomologist for two years in the Army Air Force. He is past president and member of the Board of Directors of the California Mosquito Control Association.

"Effective control of disease-carrying insects depends upon the cooperation of the public", Smith pointed out. "At the present time we are particularly interested in learning the locations of bodies of water in which mosquitoes are breeding. If people who know of such places would phone or write the County Health Department (2220 Moorpark Avenue, San Jose) it will speed up our work immensely".

TOW AWAY ZONES FOR S.F. FREEWAY

To speed flow of traffic off and onto the new $9,000,000 Bayshore Freeway linking Army and Bryant Streets in San Francisco, police have established tow-away zones between 7 and 9 a. m.

The new tow-away zones are the east side of Ninth Street from Bryant to Market, and the north side of Bryant between Ninth and Fifth Streets. In addition, Vermont Street has been made a one-way street northbound between Maripost and 16th Streets.

Governor Knight To Address League Of Cities At S. F. Meet

Governor Goodwin J. Knight and United States Senators William F. Knowland and Thomas H. Kuchel will be the principal speakers at the 55th annual conference of the League of California Cities, to be held in San Francisco October 18-21.

More than 2,000 city officials from some 20 cities of the State's 312 incorporated cities are expected to attend.

The urban unincorporated area situation, subdivisions, the problem of local sales taxes, the financing of public improvements, the traffic muddle, municipal finance, off-street parking, smog, centralized purchasing, long-range capital improvements, and street and highway transportation problems will be among the subjects to be discussed.

Most of the work of the conference will be conducted in ten parallel sessions for the ten functional departments of the League, whic are: Mayors and Councilmen, City Attorneys, Finance Officers, Fire Chiefs, Health Officers, City Managers, Public Works Officers, Recreation and Park Officials, Planners, and Police Chiefs. Each group will have its own program. In all, there will be more than 135 papers and panel discussions on many of the aspects of the complicated business of municipal administration.

Mayor George C. Demmon of Vallejo is president of the League, and Richard Graves of Berkeley is the executive director. They will be conference speakers, along with the Governor, the two United States Senators, Lieutenant Governor Harold J. Powers; Speaker of the Assembly James W. Silliman, and the chairmen of several committees of the State Legislature that are studying problems in which cities are interested. Councilman Clarence Wagner of Long Beach is vice president and councilman Charles Burgess of Menlo Park is treasurer of the League.

The Board of Directors is composed of one member from each of the ten functional departments and one from each of the 13 regional divisions, representing all parts of the state.

WETBACK CONTROLS SET UP AT MEETING IN SAN FRANCISCO

Efforts to simplify procedures for importing Mexicans under the authority provided in existing Federal statutes were advocated at San Francisco today by some 300 representatives of business, agriculture, and industry.

The business leaders attending the Central Coast Council of the California State Chamber of Commerce meeting at the Palace Hotel voted to support agricultural interests in the State in seeking a solution to the troublesome "wetback" situation.

S. V. Christierson, Salinas, president, Major Distributing Co., presented a resolution forged earlier by farmers attending the Council's agricultural committee session.

It would provide for: (1) Border control to prevent illegal entry of aliens. (2) Sufficient allotments of legally imported workers to meet peak harvesting requirements. (3) A sound domestic farm labor policy.

Christierson also asked that in drafting and administering or regulations Mexicans be accorded the same privileges and benefits and assume the same respnsibilities as domestic workers employed under circumstances.

Lake In Siskiyou Found For Spawning Eastern Brook Trout

A boost for natural spawning of the eastern brook trout planted in Siskiyou County's popular Medicine Lake has been provided by the California Department of Fish and Game with removal of fallen trees and debris from a short, spring-fed tributary. The stream is one of the few suitable places for fish from the lake to lay their eggs, biologists found.

SENATOR KUCHEL AT SAN JOSE SAID GOP PROGRAM A SUCCESS

At a meeting in San Jose last week, U. S. Senator Thomas Kuchel reviewed Eisenhower administratio progress over the first ten months of the four year term. Among these he said were:

Reduction in the budget, Federal spending cuts which will allow an 11% reduction in individual income taxes to take effect at the beginnig of 1954, and the return of ownership of tidelands to the states.

He stressed that the Eisenhower Administration has "given the people of the nation the same type of integrity in government which the people of California have enjoyed for so many years."

He expressed the hope that next year's elections will see the so-called "paper majority" now held by the GOP in Congress grow so that the Eisenhower Administration will be able to complete its program.

Kuchel was given a rising ovation from the floor as he was introduced by J. Derrol Chace, Chairman of the United Republican Finance Committee of Santa Clara County, sponsors of the event. Chace announced that this meeting was the kick-off of a drive to raise funds for GOP campaigns in next year's elections. The drive will culminate with a $100-a-plate Dinner to be held in the Scottish Rite Temple, San Jose, on November 5, which will be addressed by Secretary of the Interior Douglas McKay.

The Women's Society of Christian Service entertained members and guests at a fellowship luncheon on October 15th in the Social Hall of the Methodist Church.

Mrs. Gladys Newton spoke on "The Church Around the World". Mrs. Newton is the wife of Clark Newton, pastor of the 1st Methodist Church of Alameda and recently returned from a conference at Buckhill Falls, Pennsylvania, where she represented the conference in this national gathering.

Buying and building the facilities needed to put new telephones to work now costs more than double what it did in the prewar period.

YOUR TELEPHONE'S NUMBER ONE ENEMY

How rising costs put a real burden on good service

Surprisingly, it isn't fire or storm or earthquake . . . your telephone's biggest problem today is the rising costs of the things we buy to provide telephone service—coupled with low telephone rates which have increased much less than the cost of the things we buy to run the system. New techniques and improved equipment have helped greatly to cut operating costs. But the pressure of high prices is unrelenting. And, since a financially healthy telephone system is so important to good service for you, we believe you'd like to be brought up-to-date on your telephone's biggest problem.

Up sharply are our costs of keeping the system running. Operating taxes, for example, have almost doubled—from $10 per telephone in 1940 to nearly $20 in 1952. Average wage rates of telephone people are more than double what they were in 1940. In fact, nearly everything we must buy to keep your telephone on the job costs about twice what it did prewar.

With our costs up so much more than our prices, the profit on the investment in facilities for each new telephone has been cut in half. And this is important to your service because it takes profits to attract investors' savings into the business to pay for new facilities needed to meet the continuing telephone demands of the growing Pacific West.

Despite our higher costs of building and running the telephone system, the economies we've made have helped keep your telephone a bargain. It carries your messages for just pennies a call.

Football Prospects Revealed At Meet Of Kiwanis Club

Moving pictures of Campbell High School's first football game against Castlemont High School, were on the entertainment program of Campbell Kiwanis Club when they met Tuesday at Countrywomen's clubhouse on North First Street.

The program was arranged by Kiwanis chairman of the day, Bill Means, featured CUHS fooball coach, Jim Muir, who gave a running commentary on the Castlemont game, as well as of the first grid win over Mountain View (26-6) last week, and prospects for tomorrow's second league game against Fremont.

Pictures were taken by professional movie cameramen, following Kiwanis tradition, and presented to the local high school.

During the regular meeting two new members were welcomed into the organization: Mark Judy, district field representative of Boy Scouts of America, and Kenneth Robinson, Campbell High School recreation supervisor.

Scheduled softball playoff between Kiwanis and Rotary Club was cancelled, Tuesday, due to the absence of player members from both clubs.

Program for next week was not announced due to the expected absence of members attending the California-Nevada district conference being held at Santa Monica.

BARRIERS REMOVED SO TROUT SPAWN IN SOQUEL CREEK

Three rock barriers which kept trout from 12 miles of spawning area on Soquel and Zayante creeks, Santa Cruz County, have been removed by a stream improvement crew of the California Department of Fish and Game.

Half of the costs of digging a resting pool and deepening the approach channel and jumping pool over a fall at Zayante firehouse were paid by the Santa Cruz Sportsmen's Club.

Local sportsment also paid expenses of renting a compressor and bulldozer used in blasting a large rock barrier on Soquel Creek.

The Santa Cruz County work, completed in August, was part of the State's north coastal stream restoration project. It is financed under the Federal Dingell-Johnson Act.

Training Course To Be Presented By Troop 30

Troop 30 Scouters made plans at a meeting held October 12 in the San Tomas School cafetorium for participation in the Junior Leader Training Course to be held at Camp Stewart, above Saratoga, next weekend.

Scoutmaster Harry Hunter announced that five troops will take part in the camp-out, for which Troop 30 will provide all equipment and instructors, this being the first authorized training course to be presented by scouts in this area.

Mr. Hunter gave a resume of the program, which will include demonstrations and talks by Troop 30 scouts on "Patrol Troop Camping:" techniques for shelter, food, fire, disposal, program preparation, first aid and other aspects of scouting.

All the fathers present volunteered to accompany the troop. They will take full equipment and will be awarded certificates on completion of the course, as will all scouts participating.

The Scouters' meeting was conducted by Chairman Wm. Cahill. A report was made on the projected University of Scouting to be held at the Herbert Hoover Junior High School in San Jose.

Harry Hunter outlined the new card index system drawn up by K. Wilson, which will give a weekly check on each scout so that his individual needs may be stressed and opportunity given for him to advance toward higher rank.

Mrs. Orron Lawson was chosen chairman of the ways and means committee.

Scoutmaster Hunter announced that the sale of Christmas Cards by Troop 30 is progressing with more than $400.00 worth of the cards being sold to date.

Refreshments were served following the meeting.

Charles Goodnight, who was destined to become one of the greatest ranch owners in the West, blazed the first cattle trail through New Mexico in 1886.

PRIZES . . . refreshments, and whist will be the order of the evening October 6, in the new Hamilton School cafetorium, 336 E. Hamilton Avenue at 8 p. m., when the school faculty sponsors their first social event of the season.

Pastor Objects To Liquor Sales On Army Posts

Sharp criticism of the army's plan to permit the sale of liquor on military post was voiced today by C. L. Lingenfelter, speaker at the Campbell Seventh-day Adventist Church.

Pastor Lingenfelter stated that the recent order by Major General William A. Bergin, adjutant General of the Army, "will lower the prestige of American military forces both at home and overseas." He said also that the sale of liquor on army posts will "contribute to lawlessness, immorality, and disorder."

The order permitting the sale of liquor on army posts, both in the United States and overseas, is scheduled to go into effect December 1.

CHURCH WAGES BATTLE ON SIN

Church of Christ at 41 Rincon Avenue is mustering forces in a spiritual battel on sin, in nightly gospel sermons by the minister Otis Moyer, according to pastor Robert B. Todd, local evangelist.

The militant sermons will be directed against what the chuurch deems seven divisions of the devil's army including sectarianism, infidelity, and Gospel disobedience.

Sermons will take place every night at 7:30 p.m. in the Church of Christ building at 41 Rincon avenue.
